

Gravity KSX 2 T - Plateau supplémentaire inclinable pour supports de clavier GKSX

CARACTERISTIQUES GENERALES :	
Réf :	AH-GKSX2T

Gravity KSX 2 T - Plateau supplémentaire inclinable pour supports de clavier GKSX

Tilting tier for Gravity X-type keyboard stands. Upgrade your keyboard stand by attaching a second tier for an additional keyboard. The universal and easy to use mounting and adjustment options require no tools whatsoever. The tilting angle of the tier is adjustable in fine incremental steps ? markings on both arms help in finding the right angle. The tier is compatible with tubes measuring an inner diameter of at least 20 mm.

Simple à installer

Ajustement facile

Angle d'inclinaison variable

Compact
