LD Systems STINGER G3 TMB - EasyMount® Bracket for Stinger® 12" and 15"

The EasyMount® 3-point bracket allows you to suspend and aim Stinger® 12" and 15" models from trusses. Made of high strength steel with a durable powder coating finish, it mounts instantly and securely to the loudspeaker without the need for tools. The ingenious design features two auto-locking bolts and two-hand release for maximum safety and a "Selflock" hook clamp for truss attachment. The EasyMount® permits quick and hassle-free horizontal orientation plus variable down tilt of the suspended speaker. EasyMount® Truss Suspension Bracket for 12" and 15" Stinger® G3 models. Easy 3-point speaker mounting without tools. 2 auto-locking bolts with two-hand safety release. "Selflock" hook clamp for secure truss attachment. Variable horizontal aiming and down tilt of the suspended speaker.
